Treemendous

Every one of our Christmas Tree Festivals has been memorable in various different ways. Certainly 2016 must go down as the one in which the church was forested to capacity and the biggest amount of money raised. Thanks to all our sponsors and thanks to the Tree Committee who carried it all through with such energy, hard slog and ideas and who tidied up following the event so comprehensively afterwards. There are some wonderful photos on our brand spanking new website, set up for us by Roland, so do take a look at www.rusperchurch.org.uk. David and Roland's pictures really do capture the special atmosphere of the day.

This was the first time the trees stayed in church over Christmas itself, lending a particular feeling to the seasonal worship. Hosanna the donkey seems to have enjoyed himself leading the singing of carols round the village and commendably not leaving any mess in the church – a 24 carrot performance! Thanks to Mary, Joseph and the baby Jesus for completing the scene.

As Charles Dickens knew, Christmas is one of those still points in the turning world when past, present and future meet and anything it seems can happen. On Christmas morning it was a very special surprise to welcome 'birthday girl' Marjorie, who had been the Christ Child in a nativity tableaux in 1927 and this served as a reminder that every child of God, every one of us, is uniquely chosen.

Although most of you will be reading this in February it comes with my New Year prayer for each of us and for our village community as I'm writing this in early January.

Blessing of discovery be yours
and blessing of peace
Blessing of possibilities be yours
and blessing of fulfilment.

Nick is here to minister to all who have need in our parishes. He is keen to be told if someone has moved in and to have an opportunity to visit newcomers. Holy Communion can be arranged for the household or for those that are sick. Nick tries to take Thursday as a rest day each week so he kindly suggests that you only contact him on a Thursday in matters of urgency.

RUSPER CHRONICLE –

THE NEXT MEETING WILL BE ON FEBRUARY 9TH 7-9 PM IN THE SMALL HALL, RUSPER VILLAGE HALL.

Snow led to the cancellation of the January meeting, when we were going to look at the history of Rusper School – and collect memories from former pupils. So the topic for the February meeting will again be:

HISTORY AND MEMORIES OF RUSPER SCHOOL

Everyone is welcome – meetings are very informal and enjoyable. Just come along. Lots of original documents, school log books, old school photos etc. to look at.

……

The first day at Rusper School, September 23rd, 1872:

"*Opened the school this morning. There were 50 present. Revd Gore read prayers. Gave half day holiday on the occasion of the school treat given by Mr Hurst MP. Signed: John Bullivant, headmaster."* This is the first page of the log book kept until 1900 by subsequent headteachers.

The school was open! The foundation stone had been laid in 1871, reported in the West Sussex Gazetter of August 10th:

"*The laying of the foundation stone for a new National School took place on Thursday last, in the presence of the elite of Rusper and its neighbourhood. The site was given by H.T.Broadwood Esq and the stone was laid by Mrs Broadwood. At the conclusion of the ceremony the company repaired to Lyne (the seat of H.T.Broadwood Esq) where a most*

sumptuous repast was prepared with the liberality which characterizes all entertainment given there. The school is to be built to meet the requirements of the new Education Act; and will unquestionably, so far as room is concerned, meet all the educational requirements of Rusper and its immediate neighbourhood. The sun gave his most brilliant light, typical, we hope, of the enlightenment of the minds of the youths of Rusper, consequent on the completion of the work so auspicially begun."

The opening had been delayed slightly by the realisation that they needed a wall round the school to keep the pupils in – and also they needed to dig a well to provide water. The plaque is still there and the same buildings are still serving the educational needs of Rusper children. The first few years were a little uncertain – Rusper children did not take to the idea of regular school attendance and had many excuses – "minding the baby" being a popular one. Headteachers changed frequently until the coming of Mr Pigrome in the 1880's. But more about that at the next Chronicle meeting!

Margaret White

DONATIONS

Over the last 2 months we have received 5 donations- 2 of which were paid directly into the bank account. This shows at least 2 people read the Magazine! The bank details are as follows :

Thank you

Valerie Bowles, 2 Steeres Hill (871412)

RUSPER PARISH COUNCIL

- Rusper Parish Council holds its full meeting on the last Tuesday of each month at 8 pm in the Village Hall
- The **Planning** and the **Neighbourhood Plan** sub-committee meetings are held concurrently on the third Tuesday of each month at 8 pm in the Village Hall
- Agendas for all meetings are posted on the Parish noticeboards and the web site prior to meetings
- Public and press are welcome to attend both of the above meetings
- All correspondence for the Parish Council and requests for copies of the minutes of meetings should be sent by email to clerk@rusper-pc.org.uk or by post to: The Parish Clerk, Leanne Bannister, c/o Rusper Post Office, High Street, Rusper RH12 4PX.
- Full details of Parish Council meetings, proceedings and activities are available on the website at www.rusper-pc.org.uk and the Rusper Parish Council Facebook page.

RUSPER PARISH NEIGHBOURHOOD PLAN

Following on from various attempts to get more momentum for the local Neighbourhood Plan, we will be tackling this with renewed vigour during 2017.

Hopefully you all had a wonderful Christmas and New Year celebration and are ready to join in with your contributions for how you feel the Rusper area should work for the community over the next 25 years.

Our first meeting for 2017 will be on Tuesday 21st February at 8pm in the Village Hall, with subsequent meetings on the third Tuesday each month.

Key agenda items for this meeting will be:

- Considering quotes for professional guidance during the initial stages of the process, to ensure that we comply with all the statutory requirements.
- The important project of identifying the key areas of the plan in order to formulate the initial questionnaire for all residents.

It would be great to get a good attendance at this meeting, as this will help to consolidate the base of the plan and prove local involvement, which is a critical requirement.

Looking forward to seeing you on Tuesday 21st February.

George Sallows, Chair Rusper Neighbourhood Planning Group

HELP TO REDUCE THE SPEED OF TRAFFIC IN RUSPER

For one week from Monday 6th February you may notice some black tubes across the road in five different locations around Rusper village centre. These are to gather data about the speed of the traffic travelling through the village. This information will support our application to reduce the speed limit around the village centre to 20mph and you can help by driving over these tubes slowly and carefully. This may seem contrary to what logic tells you, however the slower the speed of the traffic, the more successful our application will be.

Leanne Bannister, Clerk, Rusper Parish Council
