	St Mary Magdalene, Rusper	11am.	Eucharist

Why not visit the Rusper Church website and follow Nick on Facebook?
If a priest is required at short notice and Nick is unavailable, please contact the Churchwardens.

Rector	Revd Nick Flint	01293 871251
Authorised Lay Minister	Mr Chris Pearce	01403 268047
Churchwarden	Mr Stephen Busby	01293 871219
Churchwarden	Mrs Maggie True	01293 871722
Treasurer	Mrs Lorna Reeves	01293 871012

Nick is here to minister to all who have need in our parish. He is keen to be told if someone has moved in and to have an opportunity to visit newcomers. Holy Communion can be arranged for the housebound or those who are sick. Nick tries to take Friday as a rest day each week, so he kindly suggests that you only contact him on a Friday in matters of urgency

Information on services is updated monthly on: www.rusperchurch.org.uk

The Rectory
High Street
Rusper
RH12 4PX

I approached the Archdeacon of Horsham over a year ago now to explore a way forward based on the inevitability that whenever I retire Colgate Roffey and Rusper would be served by one priest. In response the interim role was created by the diocese as a three year project.

At that point, reflecting how quickly *thirty* years at Rusper seem to have passed I chose some words as a personal mantra, as a kind of motto, Some words of Saint John Henry Newman, a pioneer in the Church of England Oxford Movement which produced such churches as All Saints .

Newman said *One gains nothing from sitting still I am sure the apostles did not sit still.*

I'm writing this on Ascension Day. on this holy day we recall the climax of Jesus' earthly life and ministry. An invitation to look heavenwards, to *move* heavenwards in heart and mind in hope of continually dwelling with God.

Nick

RUSPER SPORTS CLUB

Thanks to all those who visited and supported the Rusper Sports Club stall on May Day. As a result, we now have quite a few more new members. All we need now is the weather!

Tennis

Membership is due on June 1st. Please note: as of June 1st, the tennis courts will be padlocked to ensure members' use only. Each member will be sent the code after joining. ***Do not forget to lock the gate after use.*** The decision to lock the courts had to be taken in order to stop dog fouling and wheelies on the courts, as well as guaranteeing that courts booked online by members are available for them. Any guest playing with a member is asked to contribute £2 per session, all of which goes towards maintaining and improving the club. This can be posted at 2, Normans Cottages, High Street, between the playground and the shop. If you would like to learn or improve your tennis either as an individual or in a group (children and adults), Mike Costa is our experienced and licensed coach. For no obligation information on lessons, courses and prices please contact him on 07944 775262 or visit <http://www.ruspersportsclub.co.uk> and click on tennis.

Football

No football in June, but this will restart on July 1st. There was an encouraging response following the article in April's Rusper Parish News and the number of junior players (7–11 year olds) has increased. This means that the number of teams has also increased, but there's still room for more players, both boys and girls, regardless of ability – you just need to be keen! Why not give it a try? Not a junior? Adult players are welcome too, open aged, youth and veteran. Adult teams play on Saturday afternoons and Sunday mornings. Come along and cheer them on! For more information, go to players@horshamcrusadersfc.com

Basketball

The basketball court continues to draw players and it's wonderful to see it being used. The court is for members' use only and there is a £2 per session fee for any non member found using the court. You can't get much for £2 these days, so please be honest and pay up, or better still, become a member. All money received goes towards maintaining and improving the club. Money can be posted at 2, Normans Cottages, High Street, between the playground and the shop.

Club Update

Work continues in the pavilion on essential repairs and updates to the plumbing and kitchen.

The ref's room will be updated in the very near future.

The football pitch will soon be hosting junior matches for younger players. Increased signage is coming, so please be sure to read it.

The use of the facilities are for Rusper Sports Club members only so please join the club. Without our loyal members, we would be unable to keep the club running. Last year's court refurbishments and the addition of the new basketball court were only made possible thanks to members' subscriptions, grants and our small dedicated committee.

Membership

The membership for this season runs from when you join now to 30th April 2027. From next season, the membership will run for one year from 1st May 2027.

An online membership form is the method of submitting your application. It can be accessed via <https://forms.gle/RwSxZmTVtLsjUgqa6> or by scanning the QR code below. Payment is via BACS to Rusper Sports Club, Sort Code 09-07-25, Account No. 39265187 using your surname as the reference.

Membership Fees for the 2026-2027 Season:

Family* – £80

Adult – £40

Junior (under 18)** – £20

Senior Citizen (over 60) – £20

* Up to five individuals living at the same address

**Under the terms of our insurance Junior members must be supervised by an adult at all times when using the facilities.

A 50% discount is applicable for those who hold a Horsham District leisure access card, proof of eligibility to be sent to memberships@ruspersportsclub.co.uk

RUSPER CHRONICLE

May meeting. We enjoyed an afternoon in Rusper Church discussing the rebuilding of the Church in 1855 by the Broadwood family. We know the foundation stone was laid in June 1854 which we all set out looking for but with no luck!

In February 1854 the plans were left in the Star Inn for builders to tender for the work of demolishing the old church and rebuilding with the addition of a south aisle. The builder Mr Dalby of Steyning won the tender and in addition to adding the south aisle, the porch was rebuilt.

The cost including the tablet over and railings around the Broadwood vault was £2694 which in today's money would be just under £300,000.

LIZ KITCHEN

My brothers & I were very honoured when the Parish Council got in touch saying they would like to install a bench in memory of Mum and her work in Rusper and the wider community.

We were asked for our thoughts for the inscription for the plaque and, after much consideration, we decided on *"proud to serve the village she loved."* Because she really was. Ever since moving to Rusper in the 1960s, she was an integral part of village life, serving on the Parish Council and later as a local Councillor, as well as countless committees and fundraising for local causes. It was always more than just a role for her, she had a strong sense of community and dedication to public service but, above all, she loved people and was always interested in them, even if they didn't share each other's views. Whether we were in the shop, church or village pubs, she always seemed to know everyone and was happy to stop and chat.

Of course, to us at home as children, she was always just Mum. But we were aware she did something important because of the huge amount of phone calls she had throughout the day and the piles of papers on her desk that the cat would knock off when he was trying to find a patch of sun.

During election season we would help deliver leaflets, often accompanied by the dogs, and she would cover most of Rusper and beyond, stopping to talk to anyone we met.

She also proved an invaluable source of local knowledge for school projects over the years, including a GCSE project on the redevelopment of Horsham, just after the "new" Swan Walk opened.

She always enjoyed helping out at village events and fundraising for numerous local causes, including being an enthusiastic fundraiser for St. Catherine's Hospice over many years.

Her dedication to public service and great affection for the village was undeniable. After her death in February 2025, it was a comfort for us to receive so many letters remembering her common sense, warmth and positive outlook. As a family, it is lovely to have this tribute in the playground where we spent happy times as children. She would be slightly embarrassed but also very honoured.

Geoffrey, Victoria & Anthony.

RUSPER PARISH COUNCIL

Rusper Parish Council has held its latest meetings, covering a broad range of community projects, planning matters, financial decisions, and key local issues affecting the parish. Below is a summary of the main points discussed.

Public Participation & Community Updates

Members of the public attended the Open Forum and received updates on community initiatives, including the donation and forthcoming installation of the **memorial bench** in the playground.

Recreation Ground & Sports Club

Significant attention was given to the Recreation Ground and Pavilion, with a number of essential works and safety measures agreed:

- Emergency plumbing and electrical works were approved (up to £3,100 plus contingency) ahead of mandatory Health and Safety Executive (HSE) testing
- A further HSE test and training session was approved (up to £500)
- Additional investigations will be carried out into ceiling repairs and drainage issues
- The Recreation Ground shed is required to be cleared of waste by the end of May
- Minor maintenance issues, including drainage improvements at the Star pump trough, were discussed
- Further long-term expenditure for the site will be brought back to a future meeting

Financial Matters

The Council approved the March financial reports, reconciliations, and schedule of payments. Key updates included:

- Internal audit scheduled for 11 May 2026
- Agreement to open a new savings account with Hinckley and Rugby Building Society and close the existing Nationwide account
- Approval of £300 for new village planters, compost, and planting
- Confirmation of Community Infrastructure Levy (CIL) income of £11,324.13
- Progress on a grant application for CCTV improvements at Rusper Store

- Removal of one bank signatory from Unity Trust Bank

Community Governance & Projects

Councillors discussed the forthcoming Horsham District Council Community Governance Review, which may affect parish boundaries, particularly around the Mowbray site. A working group has been formed to prepare the Parish Council's response.

Community projects progressing include:

- The memorial bench, now ordered with a brass plaque agreed for installation
- Repairs to the Lambs Green telephone box and a village fingerpost (to be progressed by relevant committees)
- Tree issues within the Recreation Ground, including encroachment from neighbouring properties
- Future defibrillator installation plans following completion of related works

The Annual Parish Meeting will be held alongside the Annual Parish Council Meeting on **26 May 2026**.

Planning Matters

Planning Applications Considered

The Planning Committee met on 21 April 2026 and considered the following applications:

DC/26/0515 – Bonwycks Place, Ifield Wood

Installation of 23 solar panels on an existing barn roof.

Decision: Support – the proposal was welcomed for its contribution to renewable energy and use of an existing building.

DC/26/0482 – 2 Rose Cottages, Friday Street

Demolition of outbuildings and erection of a double garage with ancillary accommodation above.

Decision: No objection, subject to the use remaining ancillary to the main dwelling.

DC/26/0269 – Hawksbourne Wood, Rusper Road

Variation of conditions relating to access and water neutrality requirements.

Status: Noted

West of Ifield Development

The Committee received an update on **DC/25/1312 – West of Ifield**, a major planning application due for decision in June 2026.

Members noted that amendments are expected from Horsham District Council, but consultation documents remain incomplete, particularly in relation to transport evidence. The Clerk has been asked to seek clarification on all amendments and consultation deadlines. The Parish Council will review and respond once full information is available.

Horsham District Local Plan 2023–2040

Councillors received updates from the ongoing Local Plan Examination hearings.

While initial impressions suggest the Planning Inspector is broadly supportive of the housing strategy, the Parish Council continues to raise concerns regarding:

- The proposed spatial strategy and its alignment with the overall plan
- The inclusion of the Ifield development, which is considered potentially unsound
- The treatment of unmet housing need, particularly wider regional pressures from the south coast

These matters will continue to be reviewed as the hearings progress.

Planning Enforcement & Appeals

No new appeals or amendments were reported.

Next Meetings

- Planning Committee Meeting: Tuesday 19 May 2026
- Parish Council Meeting (AGM & Annual Parish Meeting): Monday 26 May 2026

Everyone Welcome

Members of the public are warmly invited to attend Parish Council and Committee meetings. Your views and participation are encouraged and valued.

For further information, please contact the Parish Clerk:

clerk@rusper-pc.gov.uk

Phone: 07380 468256

www.rusper-pc.gov.uk

Residents are encouraged to stay involved and to contact councillors or the Clerk with any concerns. www.rusper-pc.gov.uk

Parish Council Clerk

SAVE WEST OF IFIELD CAMPAIGN

It was lovely to chat to so many people at the Rusper May Fair – thank you! Last month we said that we would be participating in the examination hearings for **Horsham's Local Plan** alongside Rusper Parish Council. This is only the first round of hearings and covered housing numbers overall not specific sites like the West of Ifield. We spoke on a couple of issues including the need for full and transparent financial viability assessments (FVA) for all strategic sites being considered for allocation in the Plan. This became particularly relevant as Homes England suddenly announced in the hearings that they were changing their planning application to include 40% affordable housing and not 35%. In parallel we have now written to Horsham Council asking for a full and detailed FVA for the West of Ifield to be published before the Council makes a decision on the **planning application**, which they have said they hope to do in June or July. You can see more on this in our May

newsletter: <https://www.savewestofifield.co.uk/newsletters>

We've also started to work with lawyers on the grounds for a legal case against Horsham Council should they decide to permit the West of Ifield application.

Meanwhile you may remember that many of the statutory consultees to the planning application had requested additional information from Homes England. This information is now on Horsham Council's planning portal, as are the further responses from the statutory consultees. Our view is that Homes England's plans are still not sound, particularly their proposed mitigations for increased traffic and for the loss of Ifield golf course, and that their failure to acknowledge the lack of sewage processing capacity is unlawful.

What next? Many people continue to **respond to the planning application**, and we can all do this right up until Horsham Council make a decision. If you need help, please see the Save West of Ifield

website: <https://www.savewestofifield.co.uk>, the Rusper Parish Council website: <https://www.rusper-pc.gov.uk/community/rusper-parish-council-20862/west-of-ifield-plans/> or email us at: savewestofifield@gmail.com

In terms of **Horsham's Local Plan**, the Inspector hopes to be examining development sites, including the West of Ifield, over the next few months, including a **public consultation in the summer** and further hearings in October. See the Inspector's latest letter here: https://www.horsham.gov.uk/_data/assets/pdf_file/0011/163874/IDJB05-Inspectors-Post-Hearing-Letter.pdf As always, thank you for your ongoing support. And do keep an eye on our website and Facebook for updates.

Fenella Maitland-Smith
