This year our Animal Blessing Service falls on the Feast of Saint Francis, a patron of animals and in a change to previous years we will hold this in the afternoon. Weather permitting we will gather outside and hope this may encourage people to bring some larger animals along with them. Let's see how representative and inclusive our celebration of animal life can be this year! If you can't bring a pet then maybe consider wearing something to reflect the theme or bringing a picture of a pet. We also recall animal companions who are no longer with us – bring a picture if you would like to.

We look forward to seeing you there!

# **RUSPER PARISH COUNCIL**

## **September Update**

The Parish Council met in July, with a wide range of local issues discussed, from community facilities and green spaces to roads, planning and local services.

### **Community Governance Review**

The Council discussed the latest stage of Horsham District Council's Community Governance Review. The Parish Council has reiterated its preference for the parish boundary to extend to the A264, including the relevant section of Mowbray, with the A264 forming the boundary. Faygate will also be included in the Council's updated response.

The review includes a number of proposals affecting Rusper and neighbouring parish and town councils, and the Council will continue to keep residents informed as the process develops.

### **Local Plan Consultation**

The Council also considered the Horsham District Local Plan Main Modifications consultation. Members agreed that the Parish Council should submit comments to Horsham District Council, with the Planning Committee Chair coordinating the response in consultation with councillors.

The Council will continue to take an active interest in planning matters that could affect Rusper and the surrounding area.

### **Recreation Ground and Sports Facilities**

There has been plenty of activity at Rusper Recreation Ground.

Following a positive meeting with representatives of the Sports Club and Football Club, an updated Relationship Agreement was signed. The Sports Club will now provide the Parish Council with quarterly financial information and regular updates on its activities.

The Council has also approved a number of improvements and security measures, including a new access gate, chain and combination padlock to help prevent unauthorised vehicle access.

Plans are also progressing for improved access to the tennis courts, including a barrier, fencing and a bollard near the car park.

Maintenance work at the Sports Pavilion will include ceiling repairs and redecoration, as well as improvements to the ventilation system.

### **Playground Improvements**

The latest playground inspection was received and reviewed by the Council. Improvements to the hopscotch area have been approved.

The Council has also received a kind donation from the May Day Committee of two recycled-plastic picnic benches for the playground. These will provide additional seating for families using the area.

The new toddler swing at the new Millfields development will also now been installed.

### **Keeping Rusper Green and Tidy**

Hedge maintenance is continuing, with Grasstex instructed to clip hedges at several locations identified by the Council. The Council will also be monitoring the Sports Club's grass-cutting arrangements from the 2027 season.

### **Community Speed Watch**

The Parish Council is supporting the relaunch of the Community Speed Watch scheme. An introductory meeting with the local police representative has been arranged, followed by training for volunteers.

The scheme relies on local residents getting involved, so anyone interested in helping to monitor vehicle speeds in the parish is encouraged to take part.

### **Financial Update**

The Council reviewed its regular accounts and payments and agreed that these were in order. A number of ongoing and unexpected projects are being kept under review to make sure spending remains within the agreed budget.

The Council also received an update on funding available through Section 106 and Community Infrastructure Levy contributions, including £16,000 allocated towards improvements at the Recreation Ground.

A grant application from the Citizens Advice Bureau will be considered as part of the Council's future budget-setting process.

### **Looking Ahead**

The Parish Council continues to work on maintaining and improving local facilities, supporting community initiatives and responding to planning and infrastructure proposals that may affect Rusper.

The next meeting of Rusper Parish Council will take place on 29 September 2026.

## **Rusper Church Garden**

We're looking for volunteers to help in the Church garden. We have a lovely Church but unfortunately the garden lets it down.

We are a very small, friendly group trying our hardest to keep the garden under control but we're all nearly 80 now and are finding it difficult to cope.

**We meet on the first Monday of every month from 9.30-12.00** and would love to hear from anyone who would like to help us.

*Contact Judy on 01293 871845 / 07368 631734*

## Save West of Ifield campaign

At the time of writing, Homes England still has not responded to the significant requests for information from the National Highways agency, and it looks likely that the **planning application** for 3,000 houses West of Ifield (WOI) won't be discussed by HDC's Planning Committee until at least 11<sup>th</sup> December. We can all continue submitting objections until that date – see [HDC planning portal reference DC/25/1312](#).

In terms of the Examination of **Horsham's draft Local Plan**, we submitted lengthy comments on the inclusion of WOI in the Plan, which can be seen here: <https://www.savewestofifield.co.uk/documents>.

We plan to speak at the Inspector's hearing sessions on **14<sup>th</sup> and 15<sup>th</sup> October** – these are the key dates for discussion of issues relevant to WOI. The hearings actually run from 13<sup>th</sup> to 23<sup>rd</sup> October and the full agenda was posted here on 7<sup>th</sup> September:

<https://www.horsham.gov.uk/planning/local-plan/local-plan-examination/Latest-News-from-Local-Plan-Examination>

HDC states: *"Members of the public and interested parties are welcome to attend the hearings in person or view them via the live stream or recording – a link will be provided in due course on the examination website. As seating at the venue is limited, remote viewing is encouraged where possible.*

*To assist with administrative arrangements, if you are intending to observe the hearings in person, please could you email me at [programmeofficer@horsham.gov.uk](mailto:programmeofficer@horsham.gov.uk) before 17:00 Friday 25 September 2026 stating which matter(s) you wish to observe and the name of the observer(s)."*

**As always, if you need help with your responses** to the planning application please see our website: <https://www.savewestofifield.co.uk>, the Rusper Parish Council website: <https://www.rusper-pc.gov.uk/community/rusper-parish-council-20862/west-of-ifield-plans/> or email us at: [savewestofifield@gmail.com](mailto:savewestofifield@gmail.com)

Thank you so much for your ongoing support. And do keep an eye on our website and Facebook page for updates.

*Fenella Maitland-Smith*
